

“Doordeer Pro” APP

User Manual

Doordeer Pro

Note:

- The **Doordeer Pro** APP is free to use.
- The **Doordeer Pro** APP replaces old Doordeer APP. The **Doordeer Pro** APP could work with both GBF latest system PL964PM-POE and old system PL963PM-POE, but Doordeer APP only works with PL963PM-POE, not PL964PM-POE (the latest model)

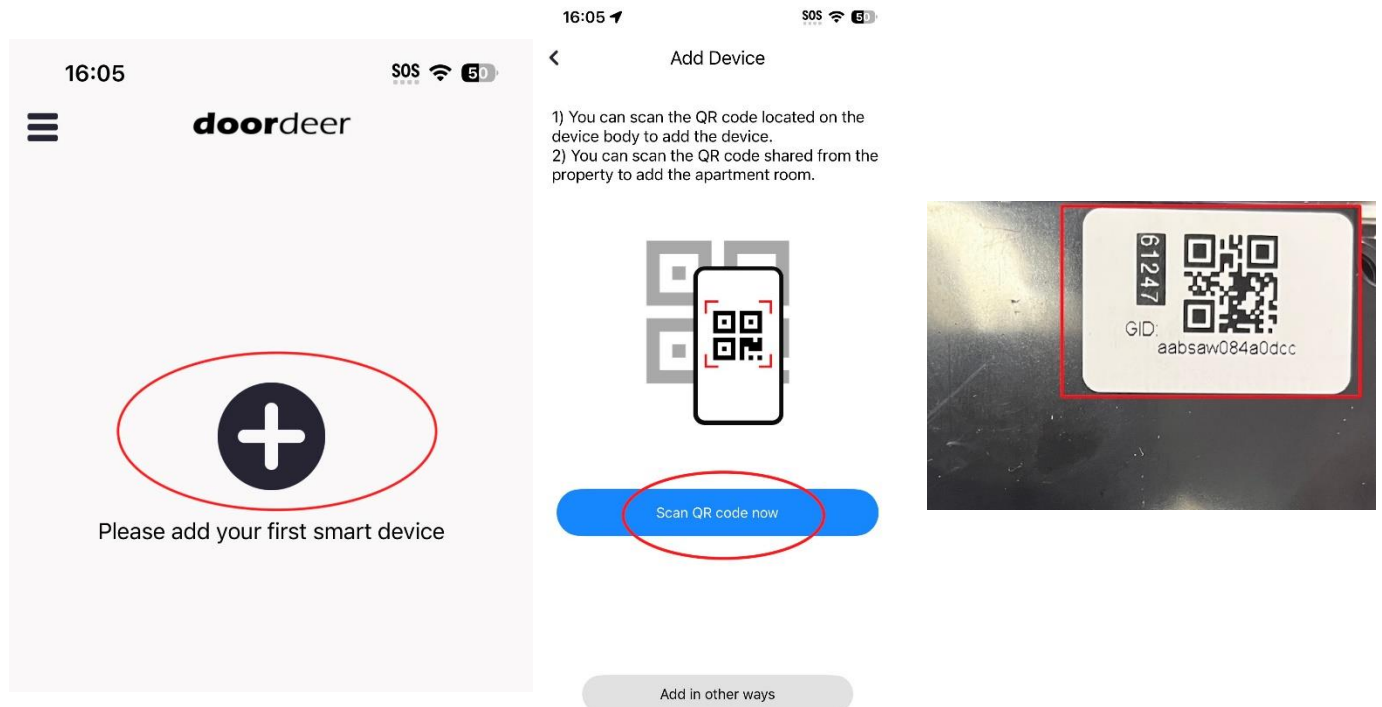

Preparing the APP to be used

1. Make sure your smartphone is connected to your wifi network or cellular data.
2. Open your **Doordeer Pro** APP.
3. Create an account by Clicking on the “Sign Up”.
4. If you already have Doordeer APP account, you could use the same Doordeer APP login credentials to login **Doordeer Pro** APP.

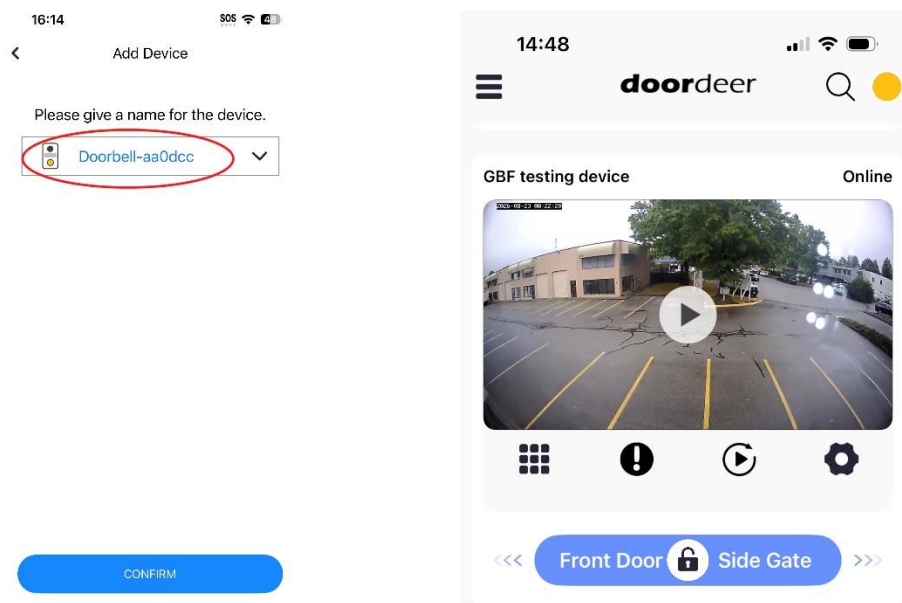

How to Add a new Device (PL964PM-POE or PL964PMBL-POE)

QR CODE SCAN:

1. Click the Plus “+” to Add your first device. Click “Scan QR code now”, and Scan the QR code at the back of the device.

2. The new device will show up and you could change the name for your device.

LAN SEARCH:

1. Add your new device by LAN Search:
